**FROM THE BOTTOM OF OUR RECYCLE BINS, THANK-YOU!** Thank you for joining us on a tour of our facility in our efforts to *Think Green* and through your learning experience today, *Be Green*.

**A LITTLE BIT ABOUT THE WM MATERIALS RECOVERY FACILITY.** We are excited that you have chosen to tour Waste Management's Materials Recovery Facility. While on the tour, guests will learn first hand the importance of recycling in your community and workplace. Guests will see how WM receives, separates and prepares recyclable materials for re-use in recycled products. Following are some of our factory tour guidelines; please share with tour participants prior to coming to the factory:

- Wear comfortable walking shoes; open-toed shoes, "wheeled shoes" and flip flops are unsafe when worn in the plant and are not allowable.
- Wear long pants for safety purposes and clothes that you don't mind getting soiled. WM will provide a vest and goggles (your students will bring their own hard hats).
- No cell phones, purses, backpacks, cameras, or other personal items are allowed in the factory.
- Restrooms are available on site pre/post your 45 minute tour.
- The visitor parking lot is located just south of the of the front office building across from the scale house. Please meet at front office building when you arrive.

**MATERIALS RECOVERY FACILITY LOCATION.** The Waste Management Materials Recovery Facility is located at 5395 Franklin Street, Denver, CO, 80216 ([mapquest map](#)).

**CANCELLATIONS.** If you cannot attend, please cancel by contacting Katie Symons at (303) 883-4326 at least a day in advance to your scheduled tour. If you have any questions concerning the Materials Recovery Facility, please contact us via the email at [katie.symons@gmail.com](mailto:katie.symons@gmail.com).
