Hi Sidney,

I apologize for the delay. These are being reviewed this week. Once approved, you will receive an automatic email for each course with a course approval ID.

We are committed to service excellence.

Subject: Training Class Approvals?

Good Morning,

I submitted a bunch of classes for TU approval back in November and have not heard anything.

How can I get approvals to move forward? I have two potential clients in Wisconsin that have asked me for this.

Our classes are approved in many other states (please see the attached spreadsheet).

Thank you,
Sidney
