

SAMPLING & LAB TECHNIQUES

A FREE Class Sponsored by CDPHE
Ute Water Conservancy District

2190 H 1/4 Road, Grand Junction

November 4, 2024

8:00 AM - 4:15 PM

Laboratory testing is essential for both regulatory compliance and process control. Come learn some tips and tricks for making sure your laboratory data is as accurate and precise as possible. We will walk through various laboratory procedures step by step with tons of full color photos to demonstrate how each step is done.

WHEN: November 4, 2024 from 8:00 AM until 4:15 PM

WHERE: Ute Water Conservancy District, 2190 H 1/4 Road, Grand Junction, CO 81505

COST: Completely free courtesy of CDPHE. This seminar does not include lunch or snacks.
